

The 9th Annual General Meeting of ISOLA is scheduled to be held on Saturday, the 13th of September 2014 at Ahmedabad. We have a series of interactive sessions planned with the members after the AGM.

The AGM 2014 event is our attempt at creating a platform to discuss and resolve issues that have been plaguing ISOLA and our profession at large for a number of years now. We are hopeful that members will proactively participate in these sessions and express their views followed by their solidarity and support for all decisions taken.

Kindly make it convenient to attend and do confirm your attendance via email to isolasecretary@gmail.com

Time:
Saturday, 13th September 2014, 9:30am

Venue for the AGM:
Auditorium, Indian Institute of Technology Gandhinagar,
