

DYING TO LIVE

THE STORY OF RAO JODHA PARK, JODHPUR

A narrative by PRADIP KRISHEN

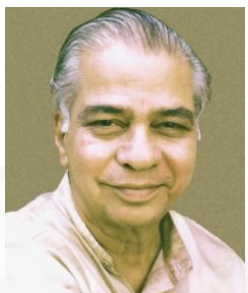

23rd February 2013, 3.30pm

Noshir Talati Auditorium, Rachana Sansad, Prabhadevi, Mumbai

Pradip Krishen calls himself an 'ecological gardener', is the author of *TREES OF DELHI - A Field Guide* and the forthcoming *JUNGLE TREES OF CENTRAL INDIA - A Guide for Tree Spotters*. He has shed an earlier avatar as a filmmaker when he directed 3 films.

Shreepad Dwarkanath Vaidya or **S.D.Vaidya** as known to many of his contemporaries was one of the earliest horticulturalists in post independence India who has left us a large body of ecologically sensitive work. Some of his key contributions include the *BARC*, *Dnyaneshwar Udyan Paithan*, *Elephanta Island* and *Nhava-Sheva port* among others.
