CELEBRATING WORLD LANDSCAPE ARCHITECTURE MONTH (APRIL 2021)

सडा त्याचा पडता , वाटे पहात रहावा
सोनपिवळ्या फुलांनी जणू सारा परिसर सजावा
बघुनी दृश्य ते मनी आनंद बहरावा
खिडकीतून नित्य दिसणारा असा तो " बहावा"

My footsteps turn crunchier
And sky, dark green
As I fathom over the
serrated leaves
Crown of the great 'Ban oak'

Ban oak (Himachal Pradesh)

Quercus leucotrichophora

CELEBRATING WORLD LANDSCAPE ARCHITECTURE MONTH (APRIL 2021)

At the onset of spring
The earth weds the sun
Birthing the brightest reds
Setting the skies ablaze
Flaming the fire within
Leaving me in a daze

'Love Allergies'

Bats feast on Ceiba,
Nightly on white buds.
Pods sneeze silk,
Few weeks later

***Does a fruit wonder about its roots?
Does it seek answers too?
Whether it is a part of a whole
or simply absolute !***

औदुंबर.....

घराच्या दारातून येता जाता,
नजरेस पडती झुपकी हिरवी लालचुटूक फळे,
पांढऱ्या खोडाजवळ श्रीदत्ताचे दर्शन घेताना,
जमिनीतील पाण्याचे अस्तित्त्व कळे.

CELEBRATING WORLD LANDSCAPE ARCHITECTURE MONTH (APRIL 2021)

आँगन मेरे पीपल का पेड़,
घर में इससे शीतल छाया।
लुका-छिपी में इसमें छुपती,
सावन में इसमें झूला झूलती।
चिड़िया का है इसमें बसेरा,
गिलहरी ने भी डाला डेरा।

“Above me, there's a sky full of leaves,
The squirrels below ferry nuts up their sleeve.
I pause my nattering, and stash away my phone
To hear the birds twittering in dulcet tones.
